

Minutes

Broadband Working Committee
May 19, 2022

Attendees : Nancy Harrison, Denise Rule, Martha Howell, Rachel Rubeor

I. Reviewed minutes from April 1 and approved.

II. We received a startup contract of \$2,000 . There was a general discussion about Ben continuing to pursue grants when he returns from Colorado.

III. Denise informed us of readiness of survey for the public. It contains a combination of comprehensive plan and broadband questions without becoming too lengthy.

We looped back to \$ and discussed peripherally about division of monies available and how towns would be responsible.

It was discussed that we could offer gift/gas cards as an incentive for early completion of survey.

If all goes well we will need to arrange for a bond of on million and may need a match.

The questionnaires will be mailed and we expect 70% respondents to be summer people.

IV . Discussion of the procedure for the May 25th meeting . The sequence of speakers but the main one will be Martha and the important power point presentation..

Our June 22nd meeting will be at 5PM not 3PM as previously stated.
